∩ Bend

┌ Slur UP: (starting with a bend and quickly 'unbending'...sounds like "WA")

└ Slur DOWN: (slightly bending note before sliding across to the next.)

└┘ or ┘└ slide across in one breath.

The Blues Scale...Cross Harp. (on a 'C' harp = key of 'G')

2 draw is the 'root' note. Try starting and/or ending your phrases with this note.
The 4 draw and 4 bend are your strongest notes. When in doubt, play it!
